Position: Senior Post – Fabrication

Location: Simplex Castings Limited, Unit 3

Address: Technology & Equipment Fabrication, Tedesara – 491441, Rajnandgaon (C.G)

About the Role

We are seeking a highly skilled and experienced professional to lead the **Fabrication Department** at our Technology & Equipment Fabrication Unit (Unit 3). The candidate should bring **10 – 15+ years of proven expertise** in heavy fabrication, equipment manufacturing, and production management.

This senior-level position is ideal for someone with strong technical knowledge in fabrication processes and the ability to lead teams, manage large-scale fabrication projects, and ensure adherence to quality and delivery commitments.

Key Responsibilities

- Oversee and manage the **fabrication operations** of heavy equipment and structures.
- Plan, schedule, and supervise fabrication activities to meet project timelines.
- Ensure strict adherence to **welding, machining, and fabrication standards**.
- Coordinate with design, quality control, and production teams for smooth project execution.
- Optimize resource utilization (manpower, machines, materials).
- Implement **safety protocols and quality assurance systems** in the fabrication shop.
- Review technical drawings and ensure proper execution on the shop floor.
- Resolve technical challenges and provide guidance to supervisors and shop teams.
- Drive cost efficiency, productivity improvement, and continuous innovation.
- Prepare and present progress reports to senior management.
