## Position: Senior Post – Quality Control

**Location:** Simplex Castings Limited, Unit 1

**Address:** C.I & S.G Iron Foundry Division, Bhilai – 490023 (C.G)

### About the Role

We are looking for a highly experienced **Head of Quality Control** to lead the QC function at our **C.I. & S.G. Iron Foundry Division**. The ideal candidate will bring **10–15+ years of expertise** in foundry quality management, ensuring that our products meet the highest standards of precision, performance, and reliability.

This senior leadership role demands strong technical knowledge, proven management skills, and a results-oriented approach to **quality systems, compliance, and continuous improvement**.

### Key Responsibilities

- Lead the **Quality Control Department**, ensuring strict adherence to quality standards across all casting operations.
- Establish and maintain **QA/QC systems**, procedures, and testing protocols.
- Oversee inspection and testing of raw materials, in-process castings, and final products.
- Manage defect analysis and implement corrective/preventive actions.
- Ensure compliance with **customer requirements, ISO standards, and regulatory norms**.
- Supervise metallurgical testing, NDT, spectrometer analysis, and dimensional inspections.
- Prepare quality reports, certifications, and customer documentation.
- Drive **continuous improvement initiatives** to enhance process reliability and reduce rejections.
