## Simplex Castings secures trial Heavy Fabrication and Castings Order from BHEL

### PRESS RELEASE

**Bhilai, 12<sup>th</sup> March 2026:** Simplex Castings Limited (BSE: 513472), India's leading Precision Metallurgy company, is pleased to announce the receipt order from **BHEL Varanasi**, for the supply of key fabricated and machined assemblies for an 803 HP Mill. The order is valued at **₹7.26 crore** and further strengthens the company's association with BHEL in supplying critical components for the power and heavy engineering sector.

The order includes the supply of **Mill Side and Liner Assembly - 803 HP Mill, Separator Body Assembly - 803 HP Mill, and Separator Top - fabricated and machined items**, all to be manufactured as per BHEL drawings and specifications. The order comprises **10 units of each component**, taking the total purchase order value to **₹7,25,72,500**.

This order reflects the continued trust of BHEL in the manufacturing capabilities of Simplex Castings and reinforces the company's position as a reliable supplier of **high-quality castings and heavy engineering components** to leading public sector enterprises in India.

**Mr. Ketan Shah, Promoter, Chairman and Executive Director said:** *"This order further strengthens our long-standing relationship with BHEL and reflects their continued trust in our manufacturing capabilities and product quality. The order gives us immense confidence in the quality and reliability of our heavy fabrication capabilities. We are fully committed to delivering this engagement with the same consistency and just-in-time precision that our customers have come to expect. We view this as the foundation of a potentially large and enduring partnership. In parallel, Simplex is currently in advanced discussions with several prospective customers, both domestic and international, a number of whom have recently conducted on-site visits to the Company's manufacturing facilities in Chattisgarh. We believe that these engagements have the potential to translate into substantial order inflows in the near to medium term."*
